

Greetings to our friends near and far:

As we begin the 36th season of Fine Arts Series Concerts there are many new and exciting things afoot here at Greene Memorial Church!

Following each of our Sunday afternoon concerts there will be a **Meet-the-Artist(s)** reception held in the church's new Welcome Center. This brightly lighted and inviting space is just south of the church sanctuary and on the same floor level.

In December our Candlelight Dinner, preceding the Christmas concert, will take place

in the newly enlarged and renovated Social Hall. This marks the first time the Christmas Dinner is held in this beautifully appointed dining area.

And finally, we have spacious, well-equipped restrooms on all four floors from the Social Hall up.

Wonderful musicmaking is just ahead in the Greene Memorial Fine Arts Series and we want you to be a part of it. Your

presence and support of these concerts in the past have been inspiring and deeply appreciated. We look forward to having you and many new friends join us for our 36th season.

With every good wish, as always,

A handwritten signature in black ink, appearing to read "Richard Cummins". The signature is stylized and cursive.

Richard Cummins  
Organist, Director of Music & Fine Arts  
Greene Memorial Church, Summer 2011
